THE 3rd ANNUAL "RACE FOR THE GREEN" WAS GREAT FUN FOR EVERYONE !

The 3rd Annual Gates Mills Land Conservancy "Race For The Green" 5K River Run & Walk took place at 8:30 am on Saturday, June 5th. Over two hundred forty runners and walkers of all age groups participated and once again, the weather co-operated with sunny skies. Many runners commented on how much they enjoyed the beautiful scenic Gates Mills race course.

Clay Burnett of Chagrin Falls finished first overall with a time of 15:30, followed by Brandon Saltmarsh coming in at 16:08. First place in the women's division was Lisa Burnett of Chagrin Falls with a time of 17:51 followed by Elizabeth Brun at 21:11.

Following the Race, Master of Ceremonies, Tom Liederbach, gave awards covering ages "10 and under" through "over 65".
